Authority:

[Police Services Act](#)
[The City of Winnipeg By-Law No. 148/2012](#)
[Victoria Beach By-Law 1546](#)

Responsibilities:

As outlined in section 27 of the *Police Services Act*, the Police Boards' responsibilities include consulting with the police chief to establish priorities and objectives for the police service; establishing policies for the effective management of the police service; directing the police chief and monitoring his/her performance; and performing any other prescribed duties.

More specifically, the Police Board fulfills a community purpose. It ensures that community needs and values are reflected in policing priorities, objectives, programs and strategies. It acts as a liaison between the community and the respective town/city Police Service to ensure that services are delivered in a manner consistent with community needs, values, and expectations. The board also ensures that the police chief establishes programs and strategies to implement the priorities and objectives established by the board.

The Winnipeg Police Board is required to make several reports to council, including:

- a) An annual strategic plan submitted to council for information through the Standing Policy Committee on Protection and Community Services

- b) An annual report to council for information through the Standing Policy Committee on Protection and Community Service, which includes a summary of the board's activities for the year
- c) Annual audited financial statements for the board budget and the Winnipeg Police Service budget submitted to council for information through the Standing Policy Committee on Protection and Community Services
